Career Summary

Knowledgeable and qualified as a Network Engineer with 8+ years of experience in skilled at installing, configuring, and manageable. Adept at monitoring network performance, completing backups, and improving the quality and efficiency of network infrastructure. Committed to performing high-quality work. Offers Advanced Networking, CCNA, OLT, JNCIA, and MTCNA certification with MCSA, RHCSA, DevOps, Zimbra server installation and configuration, great analytical skills, and excellent time management abilities.

Experience

01-02-2025 – Present

Senior Executive

Epyllion Kniwears Ltd. Sister Concern of **(Epyllion Group)**

Responsibilities/Duties:

- Configure and manage FortiGate Firewall and CISCO Switch, and also backup and restore.
- Experience Office 365 using by Power automation work for paperless, time-saving automation etc.
- Installing, configuring & maintaining computer Desktop/Laptop hardware, Access Point (AP) software, systems, networks, printers, scanners, and other IT appliances.
- Windows server installation, configuration, and maintenance.
- Outlook Exchange mail configuration and maintenance.
- Work with in-house development on various software.
- IP/PBX Server installation and configuration solution with support whenever required.
- DVR/NVR installation and configuration.
- Attendance devices installed and maintained.

01-11-2023 – 31-01-2025

Senior Executive

Fakhruddin Textile Mills Ltd. Sister Concern of **(Urmi Group)**

Responsibilities/Duties:

- Configure and manage FortiGate Firewall and CISCO switch (Firewall policy, IPS, Zone, OSPF, Traffic Shepperd) also Backup and restore.
- Installing, configuring & maintaining computer Desktop/Laptop hardware, Access Point (AP) software, systems, networks, printers, scanners, and other IT appliances.
- Windows server installation, configuration, and maintenance.
- Outlook Exchange mail configuration and maintenance.

30-10-2021 – 30-10-2023	➤ IP/PBX Server installation and configuration solution with support whenever required. ➤ DVR/NVR installation and configuration. ➤ Attendance devices installed and maintained.
	Support Engineer Chorka Textile Ltd. Sister Concern of (PRAN-RFL GROUP) Responsibilities/Duties: ➤ Configure and manage CISCO & Mikrotik router, CISCO and BDCOM switch (LAN, WAN, Tunnel, Port forward, Layer 7, NAT, Bandwidth manage, VLAN, and Firewall) also Backup and restore. ➤ Installing, configuring & maintaining computer Desktop/Laptop hardware, Access Point (AP) software, systems, networks, printers, scanners, and other IT appliances. ➤ Windows server installation, configuration, and maintenance. ➤ Outlook Exchange mail configuration and maintenance. ➤ IP/PBX Server installation and configuration solution with support whenever required. ➤ DVR/NVR installation and configuration.
17-12-2017 – 27-10-2021	Network Engineer Zaber & Zubair Fabrics Ltd. and Noman Weaving Mills Ltd. Sister Concerns of (NOMAN GROUP) Responsibilities/Duties: ➤ Installing, configuring & maintaining computer Desktop/Laptop hardware, Access Point (AP) software, systems, networks, printers, scanners, and other IT appliances. ➤ Windows server installation, configuration, and maintenance. ➤ Outlook Exchange mail configuration and maintenance. ➤ IP/PBX Server installation and configuration solution with support whenever required. ➤ DVR/NVR installation and configuration. ➤ Attendance devices installed and maintained.

Education

2012-2016	B.Sc. in Engineering Institute of Science and Technology 15/A, Dhanmondi, Dhaka. Subject: Electronics and Communication Engineering.
-----------	--

Professional Certifications

- Certificates Name: CISCO Certified Network Associate (CCNA)
Institute: CSL Training Institute
Topics: LAN/WAN, DHCP, RIP, EIGRP, OSPF, BGP, VLAN, VPN, VLSM, Static Routing, NAT, ACL, Port Forwarding, Telnet.
- Certificate Name: MikroTik Certified Network Associate (MTCNA)
Institute: CSL Training Institute
Topics: Bandwidth Configuration, Firewall Configure, DHCP, PPPoE, OSPF, BGP, VPN, PPTP, IPsec, GRE.
- Certificates Name: Diploma in Information and Communication
Bangladesh Computer Council (BCC)
Topics: Office Application, SQL Database, Adobe Photoshop, Illustrator, HTML & CSS, Basic Networking, Computer Troubleshooting.

Language Proficiency

Language	Reading	Writing	Speaking
Bangla	High	High	High
English	Good	Good	Good

Key Skills

Routing & Switching:

CISCO Certified Network Associate (CCNA):

LAN/WAN, basic configuration setup. - DHCP and Static Routing Configuration. - Dynamic Routing (RIP, EIGRP, IGRP, OSPF, BGP) configuration. - VLAN, VLSM, VPN configuration. - NAT, ACL (Standard & Extended). - Port Forwarding, Telnet. - Ether channel configuration. – Inter VLAN Routing Configuration. - IPsec tunnel configuration.

MikroTik Certified Network Associate (MTCNA):

Basic Configuration GUI and CLI (WAN, LAN, Subnet, NAT, Gateway, DNS). - Bandwidth Manage (Simple Queues, PCQ Based Queues, Day Night package). - DHCP Server, ARP, MAC binding, VLAN, Backup create and restore. - PPPoE Server, Bandwidth Distributions, Profile, User, Windows Dailer. - Routing (Static, RIP, OSPF, BGP), GRE Tunnel. - CISCO, BDCOM, MAIPU Switch configuration, and troubleshooting.

Network & IT Security:

Fortinet FortiGate Firewall (NSE4):

Interface Configuration - SD-WAN Zones create - Static and Policy routes create - Routing Configuration (RIP, OSPF, BGP) - Policy & Objects Configuration (firewall policy, multicast policy, local policy) - Address create - applying schedules - DHCP IP pools create - Traffic shaping policy applies - Security Profiles configuration (Antivirus, Web Filter, Application Control, IPS) - IPsec Tunnel configuration and VPN Configuration

Cloud & Virtualization:

Amazon Web Services (AWS):

EC2 (Instance, Instance Types, AMI, Key Pair, Volume, Security Groups, Elastic IP). - IAM (Create policy, User & Password). - VPC (Subnet, Route table, Internet Gateway, NAT, Firewall). - Cloud Watch (Monitoring, Flow Log). - RDS & s3 bucket configuration.

System Administration:

Microsoft Certified Solutions Associate (MSCA): Windows Server 2012, 2016, & 2019

Server installation, configuration & troubleshooting. - ADDS (Active Directory Domain Services) rules apply and are being troubleshoot. - DNS, DFS, DHCP, and FTP server configuration.

Red Hat Certified System Administrator (RHCSA):

Install and Configuration Red Hat Enterprise Linux 8 and CentOS 7 – Navigation Command – File & Directory Management – Permission, Ownership & Special Permission – User & Group Management – Process Management – Package Management – Systemd & Service Management – Service & Log Monitoring – Disk Management & Partitioning Basics – Networking – Cron Jobs & Task Automation – Firewall & SELinux

DevOps

Advanced Git usage and branching strategies. - Proficiency with Ansible - Proficiency in building/managing CI/CD pipelines (Jenkins) - Experience with monitoring & logging tools (Prometheus, Grafana) - Strong networking knowledge (protocols, firewalls, load balancing) - Strong Linux/Unix administration and shell scripting - Excellent problem-solving and troubleshooting abilities.

Personal Information

Father's Name	: Abdus Sattar Gazi
Mother's Name	: Selina Begum
Date of Birth	: August 20, 1993.
Nationality	: Bangladeshi
Marital Status	: Married
Religion	: Islam
Blood Group	: A+
Permanent Address	: 5/7 Shaporan Lane, Paradogair, Demra, Dhaka-1362.

Activities and Interest

- Youth as Agent of Social Change (YASC) from the Asia Foundation. YASC Community is work of awareness for social.
- Chess Champion in my Institute.
- I was Captain in our Cricket Team in my Department. And also, I am good player of Badminton.
- I spend my free time reading Holy Quran and Islamic books.

Reference

Shamsul Karim Rumman

Head of Infrastructure (AGM)

EPYLLION GROUP

Plot-227/A, Tejgaon, Gulshan-1 Dhaka-1208

Cell: +8801730373787

Email: rumman@epylliongroup.com

He is the GM & Head of the Infrastructure in a group of companies in Bangladesh.

Kazi Ethesham Shahid

Head of Software

URMI GROUP

SAM tower, Gulshan-1, Dhaka-1212

Cell: +880 1713557100

Email: ehtesham@urmigroup.net

He is a gentle and polite person. He is leading most popular ERP logic and Software.
